Fran from POB

SUB ECT: V-13611 (Former V-9460.9) (Capelin)

Ref: MCQA-4273 (not sent MOB)
WASHF-37693

1. For verification of the change in V-number for V-9460.9, please see Page 3a of the GV G Master List (Filiale 54). By use of the word "new" in connection with his number, we merely meant to indicate that his number had been changed at one point and that records might be found under the most recent number. We also were of the belief that all connections had been severed, as per MUNIFG-6138.

2. However, with the receipt of MC A-4273 questioning his present status, we asked ZIPPER whether the agent in question is still carried on the rolls and have been informed that he is. Presumably, MOB will wish to check into this and take any action necessary, inasmuch as our records show that MOB has handled all discussions on the question of the agent's dual role for ZIPPER and MOB.
